Loan Purpose	Purchase, Rate/Term, and Cash-Out
Occupancy	Investment
Property Type	- Single Family: Attached, Detached - SFR + ADU - Modular 2-4 Units and Condominiums: Max LTV/CLTV Purchase 75% Refinance 70% - Condo Hotel: Max LTV/CLTV Purchase 75% Rate/Term or Cash-Out 65% (Max Loan Amount \$1.5MM Min Loan Amount \$150,000. - Rural: Max LTV/CLTV 75% Purchase, 70% Refinance - Florida Condominiums: - A structural inspection is required for projects greater than 5 stories; and over 30 years old (or 25 years if within 3 miles of the coast) - Projects with unacceptable or no inspection are ineligible
Acreage	Property up to 20 Acres, Min 700 FICO, Min DSCR 0.80
Cash-In-Hand	- LTV > 65% - \$1MM - LTV <= 65% - Unlimited - Total equity withdrawn cannot exceed these limits (Not applicable to Delayed Financing transactions).
Appraisals	- FNMA Form 1004, 1025, 1073 with interior/exterior inspection. Appraisal review product required unless 2nd appraisal obtained. 2nd Appraisal required for Loan Amounts > \$2.0MM

Income Requirements

Long-Term Rental Documentation and DSCR Calculation

Purchase Transactions:

- Monthly Gross Rents are the monthly rents established on FNMA Form 1007 or 1025 reflecting long term market rents.
- If the subject property is currently tenant occupied, the 1007 or 1025 must reflect the current monthly rent.
- A vacant or unleased property is allowed without LTV restrictions.

Refinance Transactions:

Required documentation:

- FNMA Form 1007 or 1025 reflecting long-term market rents, and lease agreement.
- If the lease has converted to month-to-month, then provide most recent two (2) months proof of receipt to evidence continuance of lease. If unable to provide evidence of receipt, the unit will be treated as vacant and subject to the following: Max LTV: Refinance 70%.
- Monthly Gross Rents are determined by using the actual lease amount or the estimated market rent from 1007/1025 as follows:
 - If using the lower of the actual lease amount or estimated market rent, nothing further required.
 - If using the higher actual lease amount, evidence of 3-months of receipts required and the rents are capped at 120%

If using a higher estimated market rent from 1007/1025, it must be within 120% of the least amount. If the estimated market rent exceeds the lease amount by more than 120%, the estimated market rent is capped at 120%.

- A vacant or unleased property is allowed subject to the following: Max LTV 70%

DSCR Calculation:

- Debt Service Coverage Ratio (DSCR) is the Monthly Gross Rents divided by the PITIA of the subject property. Gross rents divided by PITIA = DSCR. See this matrix for required DSCR ratios.

Short-Term Rental (e.g., Airbnb, VRBO, FlipKey) Documentation and DSCR Calculation

Short-term rental are properties which are leased on a nightly, weekly, monthly, or seasonal basis.

Short-Term Rental Income – Purchase and Refinance Transactions:

- LTV is lesser of 75% for a purchase and 70% for a refinance, or the LTV based upon the DSCR/FICO/Loan balance. (Excludes Condo Hotel projects)
- DSCR Calculation:
 - Monthly gross rents based upon a 12-month average to account for seasonality required.
 - Gross rents reduced by 20% to reflect extraordinary costs (e.g., advertising, furnishings, cleaning) associated with operating short-term rental property compared to non-short-term property. If the rental documentation referenced below includes expenses, actual expenses should be compared to the 20% expense factor.
 - If actual expenses are less than 20%, a minimum of 20% expense factor is required to be utilized. If actual expense exceeds 20%, the actual expense factor should be used.
- (Gross Rents .80) divided by PITIA = DSCR.
- When short-term rental income is documented using multiple sources, the lowest source of monthly income is to be utilized for calculating DSCR.

Any of the following methods may be used to determine gross monthly income:

- A 1007 or 1025 Comparable Rent Schedule survey prepared by the appraiser reflecting long-term or short-term market rents.
- If long-term rent is utilized, 20% expense factor is not to be applied.
- An Alternative market rent analysis similar to FNMA Form 1007/1025 is allowed, subject to the following:
 - Analysis must be completed pursuant to the lender's appraisal management process.
- Must be completed by a licensed appraiser.
- Must include daily rental rate and occupancy percentage.
- The most recent 12-month rental history statement from the 3rd party rental/management service.
 - The statement must identify the subject property/unit, rents collected for the previous 12-months, and all vendor management fees. The qualifying income must be net of all vendor or management fees.
- The most recent 12-months bank statements from the borrower/guarantor evidencing short-term rental deposits.
- Borrower/guarantor must provide rental records for the subject property to support monthly deposits.
- AIRDNA Rentalizer/Property Earning Potential Report accessed using the Explore Short-Term Rental data, must meet the following:
 - Rentalizer (Property Earning Potential Report):
 - Only allowed for Purchases.
 - Gross rents equal the revenue projection from the Property Earning Report, less the 20% extraordinary expenses factor.
 - Forecast period must cover 12-months and dated within 90-days of the Note date.
 - Maximum occupancy limited to two (2) individuals per bedroom.
 - Must have three (3) comparable properties similar to size, room count, amenities, availability, and occupancy.
 - Market score must be 60 or greater as reflected on the Property Earning Potential Report.

Underwriting Requirements	
Credit Score	• Use highest decision score amongst all borrower(s)/guarantor(s). • Middle of 3 scores or lower of 2
Assets	• Min of 30-days asset verification required.
Reserves	• 3-months of PITIA • Loan Amount > \$1.5MM: 6-months of PITIA • Loan Amount > \$2.5MM: 12-months of PITIA • Cash out may be used to satisfy requirement
Gift Fund	• Experienced Investors: 100% of the down payment/closing costs can come from gift funds provided the borrower documents a minimum of 10% of the purchase price from their own funds. • First Time Investors: Gift funds not permitted (FTI not permitted for DSCR < 1.0)
Document Age	• 90-days
Escrows	• Escrows for hazard insurance and taxes are required for HPML loans. • Escrow accounts may be waived for loans meeting the following requirements: • LTV less than or equal to 80% • Min Fico score of 680 • Min 6-months reserves • Escrow waiver is subject to a loan level pricing adjustment, <i>refer to rate sheet</i>
Tradelines	• If borrower/guarantor has three (3) credit scores, the minimum tradeline requirement is waived. • Min: 2 reporting 24-months with activity in last 12-months or 3 reporting 12-months with recent activity.
Prepayment Penalty Investment Property Only	• Declining structures that do not exceed 5% and do not drop below 3% in the first three (3) years: <i>Refer to Prepayment Penalty Matrices for all details.</i> • Fixed percentage of no less than 3% • For all state restrictions, <i>refer to Prepayment Penalty Matrices.</i>
